

The German Sport University Cologne, Institute of Psychology, Department of Elite Sport Psychology, announces within the area of laboratory coordination the availability of a

Research Scientist Position

to the earliest convenience. Working hours are 19 h 55 min./week.

Contract period: Until **January 31, 2011, renewable up to January 31, 2012**

Work area:

- Teaching load 2 hours/week in the Bachelor degree or above and/or **physical education**
- Laboratory coordination in the Department of Elite Sport Psychology
- Cooperation within projects

Requirements:

- University Degree, preferably in sport science or psychology
- Professional expertise as well as teaching competence in the required field.

We expect:

- Experience in programming experiments (such as MatLab).
- Publication background
- Experience in research projects (particularly movement analyses, registration of eye movement, neuro-physiological methods).

The applicant with the required qualifications will be remunerated in line with 13 TV/-L/TVÜ-federal state. The position includes a 2 hour/weekly teaching obligation either as a Bachelor/Master or teacher training course.

The University wants to increase the fraction of women and therefore encourages the application of qualified female applicants. Upon equal qualification, applicants with a handicap will be given preference.

For preliminary enquiries please contact Prof. Dr. Dr. Markus Raab, phone no. 0221-4982-5491.

Applications headed under the code no. of **0962/wMA-Psychologie-Por**, including the usual documentation, should be emailed as a pdf to the Personal Department (Dept. 2.2) of the German Sport University Cologne, Am Sportpark Müngersdorf 6, 50933 Cologne (bewerbung@dshs-koeln.de) by **January 28, 2010**.
