

UNIVERSITY OF BIRMINGHAM
COLLEGE OF LIFE AND ENVIRONMENTAL SCIENCES
SCHOOL OF SPORT AND EXERCISE SCIENCES

2 POSTS
LECTURER/ SENIOR LECTURER

This is an exciting opportunity for outstanding candidates to join the UK's leading School of Sport and Exercise Sciences at the University of Birmingham and work closely with internationally leading groups in the School of Psychology and the College of Medical and Dental Sciences. The School is looking to make two appointments with strategic fit to the School (www.sportex.bham.ac.uk) and cognate areas within the University. Candidates must be able to demonstrate an excellent research track record and teaching innovation with respect to career stage.

Priority may be given to candidates with interests in the following areas: exercise and health psychology; biomechanics, human movement and/or motor control; cardiovascular and respiratory physiology; integrative human physiology and metabolism; muscle and exercise physiology.

For information and enquiries please contact either Professor Anton Wagenmakers (Head of School): a.wagenmakers@bham.ac.uk; or Professor Glyn Humphreys (College Director of Research): g.w.humphreys@bham.ac.uk.

Starting salary Lecturer £36,532 - £43,622 a year (potential progression on performance once in post to £49,096 a year).

Starting salary Senior Lecturer £44,930 - £52,086 a year (potential progression on performance once in post to £67,962 a year).

Salary will be based on qualifications and experience within the relevant academic scales

Closing Date 4 December 2009

Reference 13274

Interviews will be held on 28/29 January 2010

To download the details and submit an electronic application online visit: www.hr.bham.ac.uk/jobs alternatively information can be obtained from 0121 415 9000.
