# ECSS to Strengthen Relationship with China

European College of Sport Science  
10/13/2014 10:30

The European College of Sport Science (ECSS) has announced intensified future collaboration with China.

This announcement followed a meeting between the ECSS Executive Board and a delegation of Chinese researchers including Professor Tian Ye, Deputy Director of the Standing Council and Secretary-General of China Sport Science Society (CSSS) and President of China Institute of Sport Science (CISS) during the 19th annual congress of the European College of Sport Science – ECSS Amsterdam 2014.

For ECSS Malmö 2015 an invited China exchange lecture as well as a guest registration programme for Chinese delegates is planned in order to increase the number of delegates from China.
