Social Science Research Symposium
Developing Capacity and Priorities
to Advance the Fight Against Doping in Sport

Seoul, Korea
November 3-4, 2010

The World Anti-Doping Agency (WADA), with the support of the Korean Anti-Doping Agency, will be holding a Social Science Research Symposium on 3-4 November 2010 in Seoul, Korea.

The objective of this symposium is to bring together anti-doping experts to discuss how to expand the social science research network and to evaluate research priorities as we move forward. Our invitation is being extended to researchers and Anti-Doping Organization personnel interested in the field of social science research.

All meals during the symposium will be covered by the organizing committee. Travel and accommodations will be the responsibility of each participant. For your information we have also attached a draft program agenda.

If you are interested in attending, we would ask that you complete the attached registration form and return it to Ms. Léa Cléret **by 20 August 2010**. Shortly after the registration deadline we will send you a participant information package.

Please be advised that space is limited therefore we encourage you to register early.

Should you have any questions, please contact Léa Cléret, WADA Education Manager (lea.cleret@wada-ama.org or +1 514 904 8847).

Best regards,

Rob Koehler
Director
Education & Program Development
