## MANUAL

### How to access ECSS membership benefits

#### Content

Creating an account	2
Paying the membership fee	5
ECSS MEMBERSHIP BENEFIT	7
European Journal of Sport Science (EJSS)	7

## Creating an account

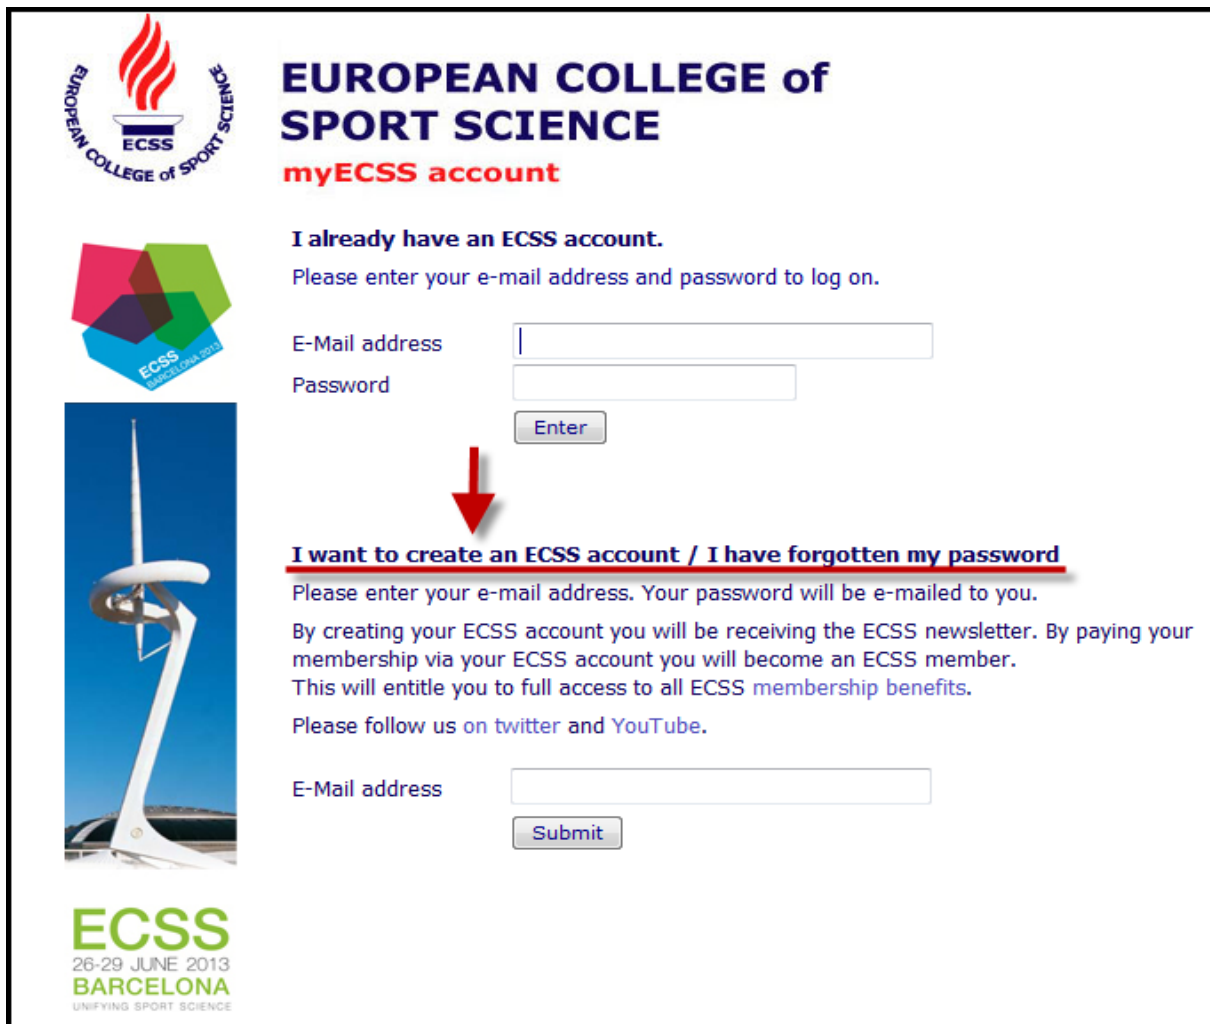

Go to [www.sport-science.org](http://www.sport-science.org)

→

Click the Login button on the left hand upper corner of the website.

Create an ECSS account.

The screenshot shows the ECSS website's account creation page. On the left, there is a vertical banner with the ECSS logo at the top, a colorful geometric logo in the middle, and a photograph of a white sculpture against a blue sky at the bottom. Below the banner is the text "ECSS 26-29 JUNE 2013 BARCELONA UNIFYING SPORT SCIENCE". The main content area features the ECSS logo and the text "EUROPEAN COLLEGE of SPORT SCIENCE" in large blue letters, followed by "myECSS account" in red. Below this, there are two sections: "I already have an ECSS account." with a form for "E-Mail address" and "Password" and an "Enter" button; and "I want to create an ECSS account / I have forgotten my password" with a form for "E-Mail address" and a "Submit" button. A red arrow points from the "Enter" button to the second section. The text in the second section includes instructions on how to create an account and receive the newsletter, and mentions that membership provides full access to all ECSS membership benefits. It also includes a link to follow ECSS on Twitter and YouTube.

## Paying the membership fee

To get the full access to the membership benefits of ECSS you need **to pay the membership fee**. Go to your ECSS account and scroll down the account page to the section myMembership administration.

The payment can be done with following international transfers:

Fees:

- ECSS Student member 50 euros, provide a valid international student identification document to [office@sport-science.org](mailto:office@sport-science.org)
- ECSS members 100 euros
- ECSS Fellows (FECSS) 100 euros.

The membership does not prolong automatically but expires at the end of a calendar year.
