Creating an account

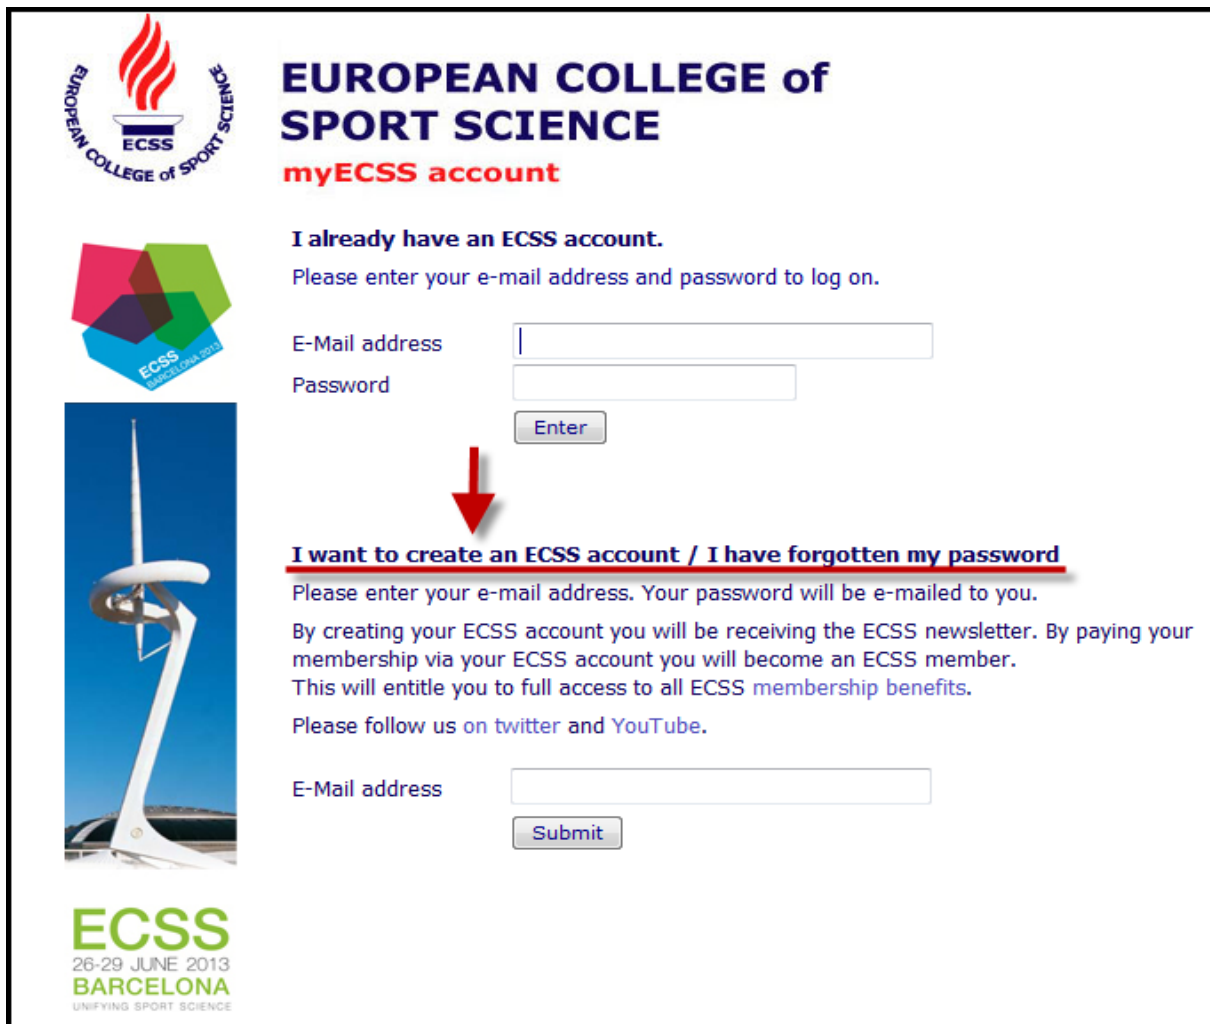

Go to www.sport-science.org

→

Click the Login button on the left hand upper corner of the website.

Create an ECSS account.

The screenshot shows the ECSS website's account creation page. On the left, there is a vertical banner with the ECSS logo at the top, a colorful geometric logo in the middle, and a photograph of a white wind turbine against a blue sky at the bottom. Below the banner is the text "ECSS 26-29 JUNE 2013 BARCELONA UNIFYING SPORT SCIENCE". The main content area features the ECSS logo and the text "EUROPEAN COLLEGE of SPORT SCIENCE" in large blue letters, followed by "myECSS account" in red. Below this, there are two sections: "I already have an ECSS account." with a form for email and password, and "I want to create an ECSS account / I have forgotten my password" with a form for email. A red arrow points from the "Enter" button of the first form to the second form. The text "Please enter your e-mail address and password to log on." is above the first form, and "Please enter your e-mail address. Your password will be e-mailed to you." is above the second form. Both forms have "Enter" and "Submit" buttons respectively.

Paying the membership fee

To get the full access to the membership benefits of ECSS you need **to pay the membership fee**. Go to your ECSS account and scroll down the account page to the section myMembership administration.

The payment can be done with following international transfers:

Fees:

- ECSS Student member 50 euros, provide a valid international student identification document to office@sport-science.org
- ECSS members 100 euros
- ECSS Fellows (FECSS) 100 euros.

The membership does not prolong automatically but expires at the end of a calendar year.

ECSS MEMBERSHIP BENEFIT

European Workshop of Sport Science (EWSS)

EWSS offers educational workshops to members. Workshop meetings are held annually during the ECSS congress and the aim is to support scientific work and research in the field of sport.

The workshops held during the annual ECSS Congress require a registration which can be done online through myECSS account.

EUROPEAN COLLEGE of SPORT SCIENCE

myECSS account

European Workshop of Sport Science

The ECSS offers educational workshops to its members, the European Workshops of Sport Science (EWSS). Held within the framework of the annual ECSS Congress, the EWSS aims to improve skills in key competences of science.

EWSS 2013 – "Scientific Grants" at ECSS Barcelona 2013
26th of June 2013, 9.00 - 14.00 h, room: Aula Magna 4

At ECSS Barcelona 2013 the EWSS will be addressed to young researchers at the starting point of their career. The ECSS would like to help promote their scientific careers by introducing possibilities to fund scientific projects. Attendees will get an overview of the multitude of European scientific grants and how to apply for those. In addition a best practice example shall be introduced.

Online registration opens for ECSS members on 15th December 2012 through the ECSS accounts. Due to limited capacity, seats are available first come, first serve.

[Register now](#) Remaining capacity for the EWSS 2013: **118 seats**

EWSS 2013 – "Quantitative Research Designs in Sport and Exercise Science" at ECSS Barcelona 2013
26th of June 2013, 9.00 - 13.00 h, room: Aula 1

This workshop will be presented by Prof. Will Hopkins, a fellow of ECSS and the editor of the Sports science journal/site, sportsci.org. The focus will be how to choose and optimize the most appropriate design for case studies, observational studies, interventions, and
